

E-Check/ACH Processing ◆ P

For A Complete Payment Solution

You may add e-check/ACH processing to your PayTrace Professional account, enabling you to set-up authorized debits from a customer's checking account. You can schedule debits for a one-time occurrence or for recurring payments. By incorporating e-check/ACH processing in the same solution as your credit card processing, you'll gain efficiencies in record keeping, reporting, and payment processing. E-checks may also be accepted online via PayTrace's Shopping Cart and API solutions

Features

- Single E-Check/ACH Transaction
- Recurring E-Check/ACH Transactions
- B2B E-Check/ACH Transactions
- Verification
- Online Reporting
- Multiple Processing Methods

Benefits

- Ability to Debit Business and Personal Checking Accounts
- Recurring E-Check/ACH Transactions can be Initiated Automatically
- Eliminates Banking Fees and Manual Paper Check Handling Costs
- NSF Items Resubmitted Automatically
- Gain Efficiency by Using One Application for All Payment Processing Needs

Gift Card Management ◆ P

Increase Customer Loyalty By Using Gift Cards

Add gift card processing to your PayTrace Professional account in order to offer something special to your customers while increasing loyalty. In addition, benefit from cash in-hand before the product/service is rendered. PayTrace makes accepting gift cards easy, and helps you consolidate functionality and reporting with all of your other payment methods.

Features

- Accept Gift Cards for Payment
- Create Gift Cards
- Add Value to Existing Gift Cards
- Replace a Gift Card
- View the Balance on a Gift Card
- Delete a Gift Card

Benefits

- Consolidate Reporting and Record Keeping
- Increase Business Traffic
- Drive Higher Customer Loyalty
- Reward Your Customers
- Increase Brand Recognition
- Benefit from Cash Up-front

The secure advantage.
